### Programme of Inquiry

#### Units of Inquiry

When we are in places and times	Achievement	Effort
5	5	0

**Central Idea:** Past civilizations shape present day systems and technologies

#### Lines of Inquiry

- Analyse of past civilizations that have survived
- Research these systems and technologies developed
- Why modern societies continue to use adaptations of these systems and technologies
- Implications for the future

**Comments:** Henry did a great job. I was especially impressed with his dedication to the clock project. He excels with hands-on activities.

How we express ourselves: Art in 19th Century America	Achievement	Effort
5	5	0

**Central Idea:** What were the central themes of art in 19th century America?

How did it reflect what was going on at the time?

#### Lines of Inquiry

- What were the main themes in 19th Century Art?
- What different styles were there?
- What style would you choose as a 19th century artist?

**Comments:** Henry is showing a great deal of interest in the works of great artists of the Impressionist period. He is able to express his feelings about the art clearly using appropriate terminology.

#### Subjects

Language Arts	Achievement	Effort
Oral language - listening and speaking	5	0
can engage in spoken, written and computer	4	VG
begin to understand that language use is influenced by its purpose and the audience	5	0

**Visual language - viewing and presenting**

begin to understand that text and language in electronic media work together to convey information, and

comprehend how this enhances understanding

with graphics use the information to convey information, process and present information in

ways that are visually meaningful

**Written language - reading**

5 0 |

**Written language - writing**

5 0 |

**Comments:** Henry continues to do well in our language arts coursework! He is an avid reader although at times his attention can drift from the text. At times he is careful and deliberate in his writing, and always works hard to make sure that the work he produces is of high quality. He is able to read with comprehension and fluency, and makes a clear effort to take comments into consideration and produce improved work with each iteration.
